D. Teaching

1. Evidence of Teaching Quality

Peer and student evaluations from Reading and Zurich are available on request.

2. Teaching at the University of Reading (1992 – 2006)

Lectures

First Year: Plato, Applied Ethics, Introduction to Philosophical Method.

Second Year: Introduction to Formal Logic, Kant, Quine, Theory of Knowledge.

Third Year: Wittgenstein, Philosophy of Logic and Language, Philosophy of Mind and Cognition, Metaphysics.

Seminars

First, Second and Third Year, in all modules in theoretical philosophy.

Supervisions

I have conducted supervisions for all modules in theoretical philosophy.

Graduate Teaching

Supervision

I have supervised ca. 20 M.A. students and 10 Ph.D. students.

Seminars

I ran the weekly MA Seminar 2000-2006. I have conducted graduate classes, e.g. on Kant (1998), Conceptions of Truth (2001) and Use Theories of Meaning (2005).
